NO. 111/206/966
IN CARDS
Date 25.9.18

Letter from Southern Command dated 10.9.18

Le Lyson asks that he may be posted to Hong Kong for duty - or alternatively granted six months leave with a view to taking his wife out here to her home.

a94a. N S 4 E.

This is the first intimation we have had as to X, and additional enquiries have established the fact that Lyson's wife is a Chinese native, with considerable experience of Hong Kong & the conditions obtaining there. I could not agree to the ad being represented there by an Officer with a Chinese wife. The position would be in every way impossible.

For the same reason - the leave proposal does not appeal to me. By far the most satisfactory solution would be for Le Lyson to be demobilised & then make his own arrangements regarding the return of his wife & himself to the Far East. We should have no difficulty in sparing his services

4 NOVEMBER 1918.

Sir,

With reference to your letter No 262933 (S) of 26th October 1918, I am directed to inform you that approval is given for Temporary Lieutenant C.H. Lyson, Army Ordnance Department to resign his temporary commission in order that he may return to Hong Kong, and the necessary notification will appear in the London Gazette in due course.

He will be granted the Honorary rank of Lieutenant but such grant only permits him to wear uniform on special occasions when attending ceremonies and entertainments of a military nature, should he desire to do so; in accordance with Army Order 38 of 1918.

I am,

Sir,

Your obedient servant,

From Temporary Lieutenant C.E. Lyson, A.O.D.

To the Deputy Assistant Director of Ordnance Stores,
Plymouth Garrison.

- - - - -

Sir,

With reference to my application dated 5/9/18 and War Office reply 140442/4 (M.S.4.E.) dated 11/10/18, being left with no alternative, I beg to submit my application to be allowed to resign my temporary commission, as it is of the utmost importance that I should return to Hongkong in the very near future.

Having regard to the fact that I have served from the very first days of the war (5 months in the ranks, and 3 years & 9 months commissioned service) and to the special circumstances of my case as explained in my application above quoted, which compel me to take this step, I beg to be given the benefit of the provision of Article 497 (b) of Pay Warrant 1914.

I shall be thankful if you will kindly forward this application, and sincerely hope it will be favourably considered.

I have the honour to be,
Sir,
Your obedient servant,

C. E. Lyson

11 October 1918.

Sir,

With reference to your letter No. 262933 A.2. (Misc) of 10th September 1918, I am directed to inform you that the grant of six months leave under Army Council Instruction No. 2327 of 1916, to temporary Lieutenant G.H. Lyson, Army Ordnance Department, in order that he may return to Hongkong to attend to his private affairs is not approved.

This officer should be informed that should he desire to resign his temporary commission in order to return to Hongkong he may submit an application to do so, when it will receive such consideration as the exigencies of the service may allow.

I am,

Sir,

Your obedient servant,

(Lt.-Col.) R. F. RILEY

From Temporary Lieut: C.H. Lyson, A.O.D.

To D.A.D.O.S., Plymouth Garrison.

113.

Sir,

I beg most respectfully to request that you will be good enough to forward this my application through the usual channels.

Reference A.C.I.No.2327 of 1916 I beg to apply for six months' leave without pay or allowances for the following reasons-

1. On medical advice I am most anxious to take my wife back to Hongkong which is her native land. She is a victim of epilepsy, and lately her condition has been worse, no fewer than six attacks having taken place during the last two months. Lt.Col.W.A.Turner, D.S.O., R.A.M.C. of Harley Street, London, said that she could never get cured if she remained in this country and that the sooner she went home, the better her chance of ultimate recovery. She cannot possibly travel alone as an invalid, for the worry of parting with me and the facing the submarine danger alone would undoubtedly seriously affect her health and ultimate chance of recovery.

2. It is now nearly eight years since I left Hongkong, which is my home. I was reading for the Law when war broke out, but joined the Army in September 1914 as I thought it was my duty so to do. I have now been nearly two years longer in this country than I expected to be, and my private affairs in Hongkong urgently need my personal attendance otherwise I fear a serious financial loss.

I hope this application will be favourably considered, but if the authorities fail to see their way to entertain it, I beg, as an alternative, to ask for a transfer for duty in Hongkong or some other station in the Far East, as parting from my wife would most certainly affect her health and prejudice any chance of her recovery. She is a native of the Far East and has no relatives or friends in this country to look after her, and moreover, she can barely make herself understood in the English language.

I may add that six months appear to be a very long time, but taking into consideration that the return journey alone takes four months, and that preliminary arrangements, e.g. obtaining passport, booking passage etc., will take at least one month, barely one month will be left at home in which to look ~~after~~ into my business and private affairs which have now been awaiting my attention for a number of years.

I have always been and still am anxious to serve my country wherever my services are most useful, but owing to circumstances over which I have had no control, i.e. my wife's illness, I have not been in a position to volunteer for foreign service. I shall however, do all in my power to serve where I may be ordered to as soon as I have seen my wife safely home where she will be looked after and cared for by her own people.

May I also respectfully draw attention to the fact that about a year ago, I applied for a transfer to a Far Eastern station on the above grounds, and was informed that my application had been noted and that I should be transferred as soon as a vacancy occurred? (see War Office letter No.140442/3 (Q.M.G.8)).

I have the honour to be,

Sir,

Your obedient servant,

Devonport,
5/9/18.
